Cortney Keegan, Business & Operations Manager

Cindy Socha, Curriculum Director

Kimberly Merrick, Director of Special Education & Student Support Services

## School Committee Agenda Item Summary

**Date:** August 24, 2022  
**Prepared By:** Joshua Romano, High School Principal  
**Reviewed By:** Paul Vieira, Superintendent of Schools  
**Subject:** Disposal of Obsolete Furniture

### Background

The high school has 12 obsolete computer tables that were used in the computer labs when the school was initially built. They were designed for the larger desktop computers that are no longer used and the furniture in those rooms has been replaced with more appropriate student desks.

### Discussion/Analysis

I have checked around the district to see if any other schools could use these items and they do not. The desks are currently taking up room in one of the Fishbowls, precluding its use for other purposes.

### Financial Impact

There will likely be fees for the disposal of the desks.

### Recommendation

If the School Committee is in agreement, the following motion is recommended for approval:

*MOVE to approve the disposal of 12 obsolete and excess computer desks that have no value at DHS.*
